C TRAN ADA Complaints

The Americans with Disabilities Act of 1990 prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation.

The Federal Transit Administration requires C TRAN to use nondiscriminatory practices in bus service.

If you believe you or others:

- have been discriminated against due to race, color, national origin, or a disability
- have been excluded from participation in or denied the benefits because of that discrimination
- have been subject to discrimination under any C TRAN service, program, or activity
